

complaint about Immix. Paid bills mailed to Immix are kept in a "lock box" in Alabama for a week before being processed & Immix plans to begin charging a \$5 late fee if payment isn't rec'd by 28th; but bills aren't rec'd till middle of month! I only found out because it took them 8 days to credit my last paymt. & I got a "nasty" note from them! Sounds like a way to make some extra \$!!
